

# Kylie's Family

## Daycare

I have been a registered educator with Clarence

Family Daycare for a little over 5 years now. I have 4 children of my own, 3 girls and a little boy aged 12, 9, 6 and 2 years old. My daycare is based on acreage slightly out of South Grafton. We have a variety of chickens, ducks and a rabbit that the children love to interact with. Together we care for, cuddle and collect the egg's daily 😊.

My standard booking hours are 8am – 5pm but I'm flexible if needing earlier starts/later finishes. I'm available for overnight care and weekend care, I also offer drop offs and pickups to accommodate families and parent's needs. We enjoy regular excursions and social outings to Playsession's and Story time. ☺

At Kylie's I strive to create a warm, safe and nurturing home like environment for each individual child to learn and grow at their own pace.

I like to listen to the children and extend their development based on their interests, home culture and local community events.
