

HILLTOP HEROES

At Hilltop Heroes we provide a safe, secure environment where your child can grow and learn whilst enjoying themselves.

Each child has the right to be unique individual, learning and playing to their ability, building resilience and conquering new levels. We believe we offer this at Hilltop Heroes.

Each child belongs to their family, to their community and to their culture. By communicating with the parents and carers we are able to provide a routine similar to that which the child has at home. This assists your child to settle into care at Hilltop Heroes.

Learning through play and with positive reinforcement children at Hilltop Heroes can become confident and feel positive about themselves.

Educators at Hilltop Heroes work in partnership with Clarence Family Day care and work within the guidelines set out by the Education and Care Services National Regulations and National Quality Standards.
