

# Taine's Family Daycare

I believe in creating a home away from home and making sure the children develop, knowing the meaning of Belonging, Being & Becoming. To provide a safe, caring and stimulating environment for all children encompassing respect of culture, backgrounds and beliefs. Taine's Early Learning curriculum will provide your child with opportunities to maximize their potential and develop a foundation for success in learning. It is a play based model designed on what each child is good at, loves to do and is interested in.
